

## PSR 14.4

Compact and powerful for all screwdriving work – with drill setting

[Go to product](#)

### Key product features

- Powerful 14.4 V motor with planetary gears
- Torque preselection with 10 torque settings plus a drill setting – optimum power for every application
- Twin-sleeve "Click" keyless chuck – easy, tool-free bit changes

### Other product advantages

- Bosch Electronic speed control: "accelerate" from 0 – max. using the trigger switch
- PowerLight – your workpiece is always well lit and clearly visible thanks to the built-in LED
- Run-out brake and lock-off switch
- Quick-change battery pack
- Softgrip for a better and more comfortable hold
- Bit storage on the housing

### Comes complete with

- Charger
- Battery pack
- Plastic case (2 605 438 621)

**Part number:** 0603955470

**EAN code:** 3165140377201

## PSR 14.4

### Technical data

---

**Battery voltage:** 14,4 V

**No-load speed:** 0 – 700 rpm

**Max. torque for soft/hard screwdriving applications:** 12 / 28 Nm

**Torque settings:** 10 + 1

**Drill chuck:** Keyless chuck

**Machine weight with battery:** 1,5 kg

#### **Screw diameter**

**Screw diameter up to:** 8 mm

#### **Drilling diameter**

**Drill diameter in steel:** 10 mm

**Drill diameter in wood:** 25 mm

### Noise / vibration information

---

Measured values determined according to EN 60745.

Total vibration values (vector sum of three directions).

#### **Drilling in metal**

**Vibration emission value ah:** 2.5 m/s<sup>2</sup>

**Uncertainty K:** 1.5 m/s<sup>2</sup>

#### **Screwdriving**

**Vibration emission value ah:** 2.5 m/s<sup>2</sup>

**Uncertainty K:** 1.5 m/s<sup>2</sup>

The A-rated noise level of the power tool is typically as follows: Sound pressure level 75 dB(A); Sound power level 80 dB(A). Uncertainty K= 3 dB.

### Functions

---

**Battery voltage**

14.4 volts

### **Battery runtime**

Screwdriving performance with one battery charge

### **Keyless chuck**

Fast bit changes due to automatic spindle lock

### **Application range**

Screwdriving / drilling

### **Integrated work light**

Optimum view of the workpiece

## **Functions**

---

14.4 Volt

Application: screwdriving / drilling

Softgrip

Integrated work light

Bosch Electronic

Forward/reverse rotation
